The Nouveau Oyster Bar

[MAISON PREMIERE](#), BROOKLYN

BROOKLYN'S MAISON'S PREMIERE

A mash-up of old-school French Quarter New Orleans and new-school Brooklyn, Maison Premiere's net effect is the perfect modern-day oyster bar. The magical, wisteria-draped back garden is filled with tables piled high with tiered raw-bar platters, while the horseshoe bar up front doles out lavishly garnished cocktails made by bartenders in vintage suits and dresses. Two mai tais and you'll forget you're in New York.
