### Maison Premiere, Brooklyn, NY

Joshua Boissy and Krystof Zizka have brought a dash of 19<sup>th</sup>-century glamour to Williamsburg by way of **Maison Premiere**. The bar has a replica of the Napoleon-topped absinthe fountain from the historic Old Absinthe House in New Orleans and a cocktail list to match. Bar Director Maxwell Britten offers several interpretations of time-honored drinks, but this gem of an oyster bar truly excels at seafood. Tiered seafood platters are piled high with chilled caviar, oysters, crab, lobster, clams, and shrimp. The restaurant also offers dollar oysters during happy hour Monday through Friday and at midday on weekends.
